

MAKERTHON

EUROPE + PADERBORN 2022

14 - 16 OCTOBER

Registration deadline
extended: 07 October 2022

HUMAN. WATER. CULTURE.

48 Hours

4 Challenges

Young Europeans

WHO IS WITH US?

**Young Europeans
between 15-25**

Join a co-creative European makerthon, address important challenges of the future and create ideas around our most important resource:
Water!

Choose your challenge

URBAN. WATER. DIALOGUE

(online)

How might we co-create and share knowledge about water?

URBAN. WATER. HISTORY

(online)

How might we build our future on achievements and failures of the past?

URBAN. WATER. LAB

(online)

How might we co-create sustainable ecosystem interactions?

URBAN. WATER. ART

(online)

How might we inspire creative interactions about water?

Do you want to join in and contribute your ideas? Then register by 30 September 2022 and name two challenges that you would most like to work on:

makerthon@paderborn.de
